Apple Media Services:
Carrier Bundle Subscription - Account Summary

May 2019

File name

Carrier Bundle Subscription - Account Summary.csv

File description

This file contains a summary of the user's account information, for users who are carrier bundling subscribers.

Why Apple keeps this information

Apple retains this information for financial and tax reporting purposes, to provide user support, and to ensure the integrity of transactions and user-facing or entered content.

Field Name	Details
Apple ID Number	Apple account identifying number
MSISDN	A number mapping the user's mobile phone number to the SIM card in the user's device (this will be the same as the user's mobile phone number in some cases)
Carrier Name	The carrier's name
Carrier Billing Account Number	The user's billing account number, as provided by the carrier
Device Identifier	An identifier for the user's device
Account Created Date	The date on which the user's account was created
Account Status	The user's account status
Country Code	The country associated with the user's account
Device User Agent String	Information describing the user's device and device software
Account Linked Date	The date on which the user's carrier account was linked with their iTunes account
